

WE'RE RECRUITING

NURSE

Job Description

We are looking for an experienced nurse to work within the Hospice professional Care Team providing Palliative Care to patients and their families.

Duties and Responsibilities

- To work as part of a dedicated interdisciplinary team of professionals
- To assess, plan and implement individualised patient care plans
- To maintain appropriate and updated records of all sessions
- To liaise with and refer to other professionals or agencies when necessary
- To attend and take part in interdisciplinary team meetings
- To promote awareness of palliative care

Key Attributes

- A nursing qualification and warrant obtained from the Maltese Nursing and Midwifery board.
- A minimum of two years' work experience as a nurse
- Excellent interpersonal and organizational skills
- Proficient in written and verbal (Maltese and English) communication skills
- Able to work effectively on their own as well as within the team
- Effective time management skills

How to apply

Interested applicants are kindly requested to submit applications together with a detailed Curriculum Vitae and the names of two (2) referees, by not later than the 15th of March 2019 and address it to:

The General Manager
Hospice Malta
39, Good Shepherd Avenue,
Balzan, BZN 1623
