Hospice Malta is organising a lottery with the **Grand Prize of a Brand New Opel Corsa** as well as other **great prizes**. The draw date is **27th April 2022**.

We are hereby enclosing lottery packets against a donation of €1 per ticket or 25 tickets for €21. Your support is greatly appreciated, so that our targets are reached, one packet at a time! It would be much appreciated if you could kindly return all stubs and donations to Hospice as indicated on the stub, in due time to allow for processing.

With your help and support, Hospice Malta will evolve into St Michael Hospice. Besides offering all of our services free of charge in the community, St Michael Hospice will be Malta's first state-of-the-art complex dedicated entirely to providing comprehensive palliative care.

Founded in 1989, Hospice Malta's primary role is to provide and promote palliative care services to patients suffering from cancer, motor-neuron disease, end-of-life, cardiac, respiratory, renal and liver diseases.

THANK YOU TO OUR SPONSORS
